**RE: IMPROVEMENTS TO THE MATERNITY BENEFIT**

As we celebrate the women's month, the Society has reviewed the maternity normal delivery and emergency caesarian benefits. Effective the 1<sup>st</sup> of April 2017 the benefits will be paid at 100% of the Association of Healthcare Funders of Zimbabwe (AFHoZ) tariffs.

The reviewed maternity benefit is in line with the Cimas' thrust which strive to improve quality and achieve universal health coverage of essential health services for maternal, newborn, child and adolescent health. The Society's aim is to reduce out of pocket payments for maternity related treatment.
